WINDSEEKER

WINDSEEKER 2011

New for 2011 at Cedar Point will be WindSeeker, a 30-story-tall swing ride located on the Cedar Point Beach.

Standing 301 feet tall, WindSeeker will spin riders nearly 30 stories above the Lake Erie shoreline and will provide dramatic views of Cedar Point and Cedar Point Peninsula including Lake Erie and Sandusky Bay.

Seated in two-person swings with their feet dangling, riders will slowly begin rotating in a circular motion as the swings ascend the tower. At the top, the swings will be reaching speeds of 25–30 mph, flaring out almost 45 degrees from the tower.

Riders on WindSeeker must be at least 48 inches tall.
